

## NANO 9.6W

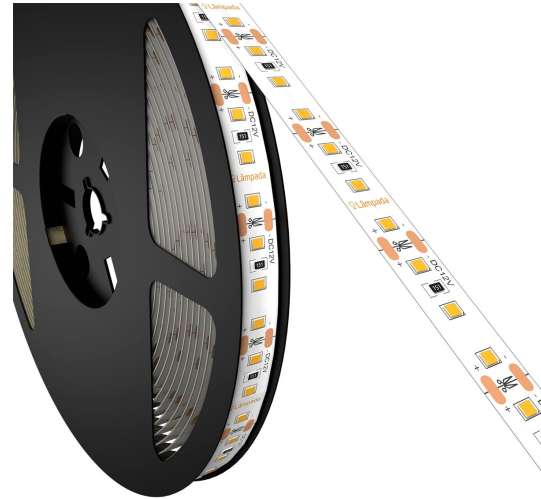

Premium LED Strip Light

Commercial Nano series striplight consisting of a double PCB Board and 3M high conductivity adhesive tape.

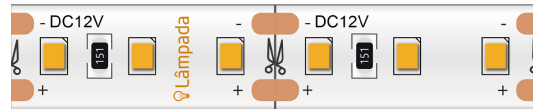

### Specifications

COB Lumens	960 lm
LED's Per M	120
System Power	9.6 W/Metre
Input Voltage	12VDC
Driver	Not Included
Efficacy	100 lm/W
SMD Brand	EPISTAR
PCB	Double thickness
Beam Angle	120°
CRI	> 80
Lifetime	> 50,000 hours
Ingress Protection	IP44
Dimmable	Yes
Cut Length	25mm
Warranty	5 Years**

Must be used with a suitable 12V DC LED Driver
